AUTHOR AGREEMENT FORM

All authors are required to sign this form **upon submission** of their manuscript. Author agreement and conflict of interest are defined according to Parts IIA, D, E and F of the Uniform Requirements for Manuscripts Submitted to Biomedical Journals[1] as per *Andrology* author guidelines. **If you have a conflict of interest to disclose, please complete the appended Conflict of Interest form**. A conflicts of interest statement should also be included within the manuscript directly following the Acknowledgments. For papers where there are no competing interests, the following statement must be included: "The authors have no conflict of interest to disclose".

Manuscript title:

Iron Overload and Male Hypogonadism: A Systematic Review with Meta-Analysis of the Hypothalamic-Pituitary-Gonadal Axis and Evidence Suggesting Ferritin-Related Burden Thresholds

Corresponding author:

Julian Y. V. Borges, MD, Department of Computer Science, Boston University, Boston, MA, USA (jyborges@bu.edu)

Author agreement:

I agree to the publication of this manuscript in *Andrology*. I confirm that I meet the ICMJE criteria for authorship[2], and that nobody who qualifies for authorship has been excluded. I have disclosed all personal or financial conflicts of interest.

2. Authorship credit should be based on i) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; ii) drafting the article or revising it critically for important intellectual content; and iii) final approval of the version to be published. Authors should meet conditions i, ii, and iii.

CONFLICT OF INTEREST FORM

Manuscript title:

Iron Overload and Male Hypogonadism: A Systematic Review with Meta-Analysis of the Hypothalamic-Pituitary-Gonadal Axis and Evidence Suggesting Ferritin-Related Burden Thresholds

Name of author:

Julian Y. V. Borges, MD

***Andrology* policy statement:**

Andrology subscribes to the guidelines published by Davidoff *et al*.[1] in the *New England Journal of Medicine* and to the ICMJE Uniform Requirements for Manuscripts Submitted to Biomedical Journals.[2] Authors must state all their sources of funding and any other financial and personal relationships that might bias their work. If the research reported in the manuscript has received partial or complete funding from commercial sponsors, the authors must also include a statement to that effect. The Editors reserve the right not to consider a manuscript if a sponsor has asserted control over the authors' right to publish their research results.

Author statement:

I have a potential personal conflict of interest as follows:

None. The author has no conflict of interest to disclose.

I have a potential financial conflict of interest as follows:

None. No external funding was received for this work.

Date:

15 Oct 2026

Signature:

Julian Y. V. Borges
